Format

The Nittany Lion Cup is open to a maximum of 20 total men's and women's teams. Priority will be given to varsity teams. JV teams will be added on a limited basis if there are fewer than 20 men's and/or women's teams.

There will be two divisions: men's and women's. There will also be separate standings for varsity and JV teams within each division, pending JV entries. All teams in each division will bowl four (4) team games and 5 baker games, moving pairs after each game. The baker games will be a position round. Final team standings will be determined by total pinfall of the team games.

Oil Pattern

The lanes will be oiled with a sport oil pattern. The men's and women's divisions will be competing on the same pattern. The pattern will be announced approximately two weeks prior to the tournament. The lanes will be oiled once, before the start of the first practice.

Rules

1. **Eligibility** – This is a USBC-sanctioned college bowling tournament. All bowlers must hold a valid USBC Collegiate membership.
2. **Divisions** – There will be separate divisions for men and women. Mixed teams will compete in the men's division. Women competing on mixed teams will be included in the men's individual standings.
3. **Awards** – There will be trophies for the winning teams and runners-up in each division, as well as awards for the top-five individual men and women.
4. **Rosters** – Rosters may include a maximum of eight bowlers. Teams may substitute up to three times per game, however a bowler may not return to a game from which they have been removed. Scores will be credited to the bowler who started the game. Teams with fewer than five bowlers will receive a score of zero for each frame per absent bowler. No make-up frames will be allowed.
5. **Attire** – We ask that all bowlers please follow USBC Collegiate dress code rules, including, but not limited to, matching shirts for teams, no jeans, no shorts for men, etc.
6. **Equipment** – Bowlers may not alter the surface of any bowling ball with abrasives, cleaners, or polish during competition. All surface adjustments must be made before the competition starts (by the end of practice).
7. **Lane Courtesy** – Please observe one lane courtesy at all times. Teams found to be delaying the pace of play by observing excessive lane courtesy may be issued a warning.
8. **Rulings** – Any rules not directly addressed here will be referred to the USBC 2025-26 Collegiate Rulebook. The tournament directors will have final say on all rulings and may issue warnings and/or disqualifications, as appropriate, to teams not adhering to any of the aforementioned rules.
